SUPPLEMENTARY INFORMATION:

Background

The National Parks Air Tour Management Act of 2000 (the Act) was enacted on April 5, 2000, as Pub. L. 106-181, and subsequently amended in the FAA Modernization and Reform Act of 2012. The Act required the establishment of the advisory group within one year after its enactment. The NPOAG was established in March 2001. The advisory group is comprised of representatives of general aviation, commercial air tour operators, environmental concerns, and Native American tribes. The Administrator of the FAA and

the Director of NPS (or their designees) serve as ex officio members of the group. Representatives of the Administrator and Director serve alternating 1-year terms as chairman of the advisory group.

In accordance with the Act, the advisory group provides “advice, information, and recommendations to the Administrator and the Director-

- (1) On the implementation of this title [the Act] and the amendments made by this title;
- (2) On commonly accepted quiet aircraft technology for use in commercial air tour operations over a national park or tribal lands, which will receive preferential treatment in a given air tour management plan;
- (3) On other measures that might be taken to accommodate the interests of visitors to national parks; and
- (4) At the request of the Administrator and the Director, safety, environmental, and other issues related to commercial air tour operations over a national park or tribal lands.”

Membership

The current NPOAG is made up of one member representing general aviation, three members representing the commercial air tour industry, four members representing environmental concerns, and two members representing Native American tribes. Members serve three year terms. Current members of the NPOAG are as follows:

Melissa Rudinger representing general aviation; Eric Lincoln, James Viola, and John Becker representing commercial air tour operators; Robert Randall, Dick Hingson, Les Blomberg, and John Eastman representing environmental interests; and Carl Slater representing Native American tribes, with one current opening. The three-year term of Mr. Slater expires on February 18, 2022 and the three-year term of Ms. Rudinger expires on April 3, 2022.

Selections

In order to retain balance within the NPOAG, the FAA and NPS are seeking candidates interested in filling the one current vacant seat and one upcoming opening representing Native American tribes and the one upcoming seat representing general aviation concerns. The FAA and NPS invite persons interested in these openings on the NPOAG to contact Mr. Keith Lusk (contact information is written above in **FOR FURTHER INFORMATION CONTACT**). Requests to serve on the NPOAG must be made to Mr. Lusk in writing and postmarked or e-mailed on or before February 7, 2022. Any request to fill one of these seats must describe the requestor's affiliation with general aviation or federally-recognized Native American tribes, as appropriate. The request should also explain what expertise the requestor would bring to the NPOAG as related to issues and concerns with aircraft flights over national parks or tribal lands. The term of service for NPOAG members is 3 years. Members may re-apply for another term.

On August 13, 2014, the Office of Management and Budget issued revised guidance regarding the prohibition against appointing or not reappointing federally registered lobbyists to serve on advisory committees (79 Federal Register 47482).

Therefore, before appointing an applicant to serve on the NPOAG, the FAA and NPS will require the prospective candidate to certify that they are not a federally registered lobbyist.

Issued in El Segundo, CA on January 4, 2022.
